

March 13, 2000

Dear Colonel Perrin:

Thank you for the superb hospitality you and your staff gave to me during my visit on March 7th. It was truly an honor to be able to speak at and celebrate in your Women's History Month ceremony. It was also my pleasure to be able to recognize the hard work and dedication of your associates by handing out the Meritorious Service Awards to 100 of your best and brightest.

Your support of DSCC is also to be commended. Your efforts have helped us work to fruition some very challenging issues, which would have lingered without your intervention.

I especially wanted to thank you for the beautiful crystal candlestick holder – it has found a good home. Thanks, again, for making my visit so rewarding.

Sincerely,
